Re: United States v. Terrence Chalk, Ind. #: 21 Cr. 049 (ALC)

Dear Judge Carter:

On the evening of November 25, United States Probation disclosed its final pre-sentence report, including sentencing recommendation. The sentencing investigation of the defense is not complete at this time, including with respect to several new positions and averments of Probation which will be addressed in the defense sentencing presentation. I have discussed these matters with AUSA Adam Hobson, and without objection by the government, I write to respectfully request that the date for sentence in this matter be extended to February 13, 2025, should that be a date convenient for the Court.

Mr. Chalk continues to reside at liberty in the community and in compliance with his conditions. For these reasons, it is respectfully requested that Mr. Chalk's date for sentence be extended to February 13, 2025, or a date thereafter convenient to the Court.

Thank you very much for your consideration of this matter.

Respectfully,

*Robert A. Soloway*

2/25/25 at 2:00 p.m.
